Dear Mr. Garlitz:

Enclosed is GTE Northwest's contribution of \$1000.00 in support of your project to establish a community network to provide services to the community using computer hardware and software. We are providing this funding through *GTE Northwest's Technology Based Economic Development Program*.

GTE Northwest is pleased to be partner in this program and looks forward to working with you during the next year to enhance your community's economic development efforts.

Sincerely,
